

## **Costume Designer – Children’s Summer Theater Workshop**

CCYT is seeking a creative and collaborative **Costume Designer** to join our Children’s Summer Theater Workshop team! You’ll work closely with our lead costume designer and directors to bring multiple productions to life, with full access to our costume storage facility and a supportive team of interns and staff ready to help with pulls, builds, fittings, and alterations. If you love designing for young performers, enjoy teamwork, and thrive in a fun, fast-paced environment, we’d love to have you on our summer production team.

### **Responsibilities include:**

- Collaborating with the costume team and directors to establish the visual style for each show
- Pulling, organizing, and preparing costumes from our storage facility
- Overseeing fittings, alterations, and costume notes
- Delegating tasks to interns and staff and providing guidance as needed
- Maintaining costume organization throughout the season
- Supporting quick changes and costume needs during tech and performances

### **Ideal candidates are:**

- Experienced in costume design, wardrobe, or related fields (professional or educational)

This is a great opportunity for designers who enjoy teamwork, hands-on creativity, and making theater magic happen for young artists.
